NOTICE is hereby given that the annual general and special meeting (“**Meeting**”) of the holders of common shares (the “**Common Shares**”) of 55 North Mining Inc. (the “**Company**”) will be held in Toronto, Ontario, at 401 Bay Street, Suite 2702, on the **20th day of June 2024, at 2:00 p.m. (Toronto time)** for the following purposes:

1. to receive the audited financial statements of the Company for the financial year ending December 31, 2023, and the auditor’s report thereon;
2. to elect the directors of the Company for the ensuing year;
3. to re-appoint Scarrow & Donald LLP, as auditor of the Company for the ensuing year and authorize the directors to fix the auditor’s remuneration;
4. to re-approve the Company’s stock option plan;
5. to transact such other business as may properly come before the Meeting or any adjournment thereof.

The record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting is May 6, 2024 (the “**Record Date**”). Shareholders of the Company whose names have been entered in the register of Shareholders at the close of business on that date will be entitled to receive notice of and to vote at the Meeting.

Notice-and-Access

The Company is utilizing the notice-and-access mechanism (the “**Notice and Access Provisions**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of Meeting materials to registered and beneficial Shareholders.

Website Where Meeting Materials are Posted

The Notice-and-Access Provisions allow reporting issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial statements) on-line, via the System for Electronic Document Analysis and Retrieval (“**SEDAR+**”) and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Information Circular, financial statements for the financial year ended December 31, 2023 (“**Financial Statements**”) and management’s discussion and analysis of the Company’s results of operations and financial condition for 2023 (“**MD&As**”) may be found on the Company’s SEDAR+ profile at www.sedarplus.ca and also at www.agmconnect.com/55north2024.

Obtaining Paper Copies of Materials

Shareholders with questions about notice-and-access can call AGM Connect, toll-free at 1-855-839-3715. Shareholders may also obtain paper copies of the Information Circular, Financial Statements and MD&As free of charge by contacting Company’s Corporate Secretary. A request for paper copies, which are required in advance of the Meeting should be sent so that they are received by the Company or AGM Connect, as applicable, no later than 5:00 PM (EST) on June 10, 2024, in order to allow sufficient time for Shareholders to receive the paper copies and to return their proxies to AGM Connect or voting instruction forms to intermediaries, as applicable, before the Proxy Deadline.

A registered shareholder may attend the Meeting in person or may be represented by proxy. Shareholders who are unable to attend the Meeting or any adjournment thereof in person are requested to date, execute and return the accompanying form of proxy for use at the Meeting or any adjournment thereof. A form of proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and deposited with AGM Connect, 401 Bay Street, Suite 2704, P.O. Box 4, Toronto, Ontario, M5H 4Y4, on or before 2:00 p.m. on June 18, 2024 or not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time set for the holding of the Meeting or any adjournment thereof.

If a shareholder receives more than one proxy form because such shareholder owns shares registered in different names or addresses, each proxy form should be completed and returned as indicated in the proxy form.

Since it is desirable that as many shares as possible be represented and voted at the meeting, a shareholder, who is unable to attend the meeting in person, is urged to complete and return the enclosed form of proxy following the instructions therein.

Shareholders may beneficially own common shares that are registered in the name of a broker, another intermediary or an agent of that broker or intermediary (“**Non-Registered Shareholders**”). Without specific instructions, intermediaries are prohibited from voting shares for their clients. If you are a Non-Registered Shareholder, it is vital that the voting instruction form provided to you by your broker, intermediary or its agent is returned according to their instructions sufficiently in advance of deadline specified by the broker, intermediary or its agent to ensure they are able to provide voting instructions on your behalf.

The persons named in the enclosed form of proxy are each a director and/or officer of the Company. Every shareholder has the right to appoint a person or company (who need not be a shareholder) to represent the shareholder at the Meeting other than the persons designated in the enclosed form of proxy. If the shareholder wishes to appoint a person or company other than the persons whose names are designated in the form of proxy, they may do so by inserting the name of the shareholder’s chosen proxyholder in the space provided in the form of proxy.

The instrument appointing a proxy shall be in writing and shall be executed by the shareholder or his attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized.

DATED at Toronto, Ontario this 6th day of May, 2024.

BY ORDER OF THE BOARD OF DIRECTORS

“Bruce Reid”

55 NORTH MINING INC.
MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management information circular (this “Circular”) is furnished in connection with the solicitation of proxies by the management and the directors of 55 North Mining Inc. (the “Corporation”) for use at the annual general and special meeting of the shareholders of the Company (the “Meeting”) to be held on June 20, 2024 at the registered office of the Company located at 401 Bay Street, Suite 2702, Toronto, Ontario, M5H 2Y4, at 2:00 p.m. (Toronto time) and at any adjournment thereof for the purposes set forth in the accompanying notice of the Meeting (the “Notice of Meeting”). The solicitation of proxies will be made primarily by mail and may be supplemented by telephone or other personal contact by the directors, officers and employees on behalf of the directors and management of the Company, and the Company will bear the costs of this solicitation of proxies for the Meeting.

Unless otherwise indicated, the information contained in this Circular is given as at May 6, 2024.

In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with the transfer agent, investment dealers, intermediaries, custodians, depositories and depository participants and other nominees to forward solicitation materials to the beneficial owners of the common shares (the “Common Shares”) of the Company. The Company will provide, without any cost to such person, upon request to the Chief Executive Officer of the Company, additional copies of the foregoing documents for this purpose.

GENERAL INFORMATION RESPECTING THE MEETING

The Company is utilizing the notice-and-access mechanism (the “Notice-and-Access Provisions”) concerning the delivery of proxy-related materials to shareholders found in section 9.1.1 of National Instrument 51-102 – *Continuous Disclosure Obligations* (“NI 51-102”) in the case of registered Shareholders, and section 2.7.1 of NI 54-101 in the case of Beneficial Shareholders (as defined below).

The Notice-and-Access Provisions are a mechanism that allows reporting issuers other than investment funds to choose to deliver proxy-related materials (such as information circulars and annual financial statements) to registered holders and beneficial owners of securities by posting such materials on System for Electronic Document Analysis and Retrieval (“SEDAR+”) and one other website, rather than sending such materials by mail. Reporting issuers may still choose to continue to deliver such materials by mail, and beneficial owners will be entitled to request delivery of a paper copy of this Information Circular at the Company’s expense. The Company anticipates that notice-and-access will directly benefit the Company through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

Electronic copies of the Information Circular, financial statements for the financial year ended December 31, 2023 (“Financial Statements”) and management’s discussion and analysis of the Company’s results of operations and financial condition for 2023 (“MD&As”) may be found on the Company’s SEDAR+ profile at www.sedarplus.ca and also at www.agmconnect.com/55north2024.

The Company will not use procedures known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of this Information Circular to some Shareholders with the Notice of Meeting. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of this Information Circular.

Shareholders are reminded to review this Information Circular before voting.

Shareholders with questions about notice-and-access can call AGM Connect, toll-free at 1-855-839-3715. Shareholders may also obtain paper copies of this Information Circular, the Financial Statements and the MD&A free of charge by contacting AGM Connect at the same toll-free number or upon request to the Company’s Corporate Secretary.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Company or AGM Connect, as applicable, no later than June 10, 2024, in order to allow sufficient time for

Shareholders to receive the paper copies and to return their form of proxies or voting instruction forms, as applicable, by their respective due dates.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the form of proxy accompanying this Proxy Circular are Bruce Reid or, failing him, Julio DiGirolamo.

A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons named in the form of proxy accompanying this Proxy Circular to represent him or her at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the enclosed form of proxy the name of the person to be designated and striking out the names of the persons named in the form of proxy and inserting the name and **EMAIL ADDRESS** of the person to be appointed as proxyholder in the blank space provided on the form of proxy, or by completing another proper form of proxy. Such Shareholder should notify the nominee of the appointment, obtain his consent to act as proxy and should provide instructions on how the Shareholder's Common Shares are to be voted. In any case, the form of proxy should be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached where an attorney has executed the form of proxy.

A form of proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and deposited with AGM Connect, 401 Bay Street, Suite 2704, P.O. Box 4, Toronto, Ontario, M5H 4Z4, on or before 2:00 p.m. on June 18, 2024 or not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time set for the holding of the Meeting or any adjournment thereof. A Proxy given by a Shareholder for use at the Meeting may be revoked at any time prior to its use. In accordance with section 148(4) of the Act, in addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing executed by the Shareholder or by his attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited with AGM Connect, 401 Bay Street, Suite 2704, P.O. Box 4, Toronto, Ontario M5H 2Y4, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information in this section is of significant importance to public shareholders of the Company since most public shareholders do not hold shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to herein as "Beneficial Shareholders") are advised that only Proxies from shareholders of record can be recognized and voted upon at the Meeting. If shares are listed in the account statement provided to the shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name. Such shares are more likely held under the name of the broker or a broker's agent clearing house. Applicable corporate law provides that Beneficial Shareholders may request that the Beneficial Shareholder or the Beneficial Shareholder's nominee be appointed as the proxyholder for such shares. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against or withheld, as applicable) upon the instructions of the Beneficial Shareholder. Without specific instructions, the brokers/nominees are prohibited from voting shares for their clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person in advance of the Meeting.**

The Requisitioner does not know whom the shares registered to CDS & Co. are held for. Therefore, Beneficial Shareholders cannot be recognized by the Company at the Meeting. In order to ensure that their shares are voted at the Meeting, Beneficial Shareholders should carefully follow the return instructions. Often, the form of proxy supplied to Beneficial Shareholders by their brokers is identical to that provided to registered Shareholders, however, its purpose is limited to instructing the brokers/registered shareholder how to vote on behalf of the Beneficial Shareholder. The majority of the brokers now delegate the job of obtaining instructions from clients and voting shares according to their client's instructions to a corporation named Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada. Broadridge typically mails proxy instruction forms to the Beneficial Shareholders and asks Beneficial Shareholders to return these proxy instruction forms to Broadridge, which may be by mail, by internet or by telephone. Broadridge then tabulates the results of all instructions received and then votes the shares to be voted at the Meeting according to the instructions received.

A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that voting instruction form to vote shares at the Meeting. The voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the voting instruction form provided to them and return the same in accordance with the instructions provided, well in advance of the Meeting.

All references to shareholders in this Proxy Circular and the accompanying proxy and Notice are to shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be shown upon request to registered shareholders that produce proof of their identity.

PROVISIONS RELATING TO VOTING OF PROXIES

The Common Shares represented by proxy in the enclosed form will be voted or withheld from voting by the designated proxy holder in accordance with the instructions of the Shareholder appointing him. If there is no direction by the Shareholder, those Common Shares will be voted for all proposals set out in the form of proxy. The form of proxy gives the person named in it the discretion to vote as they see fit on any amendments or variations to matters identified in the Notice, or any other matters, which may properly come before the Meeting. At the time of the printing of this Proxy Circular, the management of the Company knows of no other matters which may come before the Meeting other than those referred to in the Notice.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no Director or Senior Officer of the Company nor proposed nominee for election of Director, nor each of their respective associates or affiliates, are aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

VOTING SECURITIES, RECORD DATE AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common Shares. Each Share entitles the holder of record to notice of and one vote on all matters to come before the Meeting. No group of Shareholders has the right to elect a specified number of directors nor are there cumulative or similar voting rights attached to the Common Shares of the Company.

The directors of the Company have fixed May 6, 2024, as the record date (the “**Record Date**”) for determination of the persons entitled to receive notice of the Meeting. Shareholders of record as of the Record Date are entitled to vote their Common Shares except to the extent that they have transferred the ownership of any of their Common Shares after the Record Date, and the transferees of those Common Shares produce properly endorsed share certificates or otherwise establish that they own the Common Shares, and demand, not later than ten (10) days before the Meeting, that their name be included in the shareholder list before the Meeting, in which case the transferees are entitled to vote their Common Shares at the Meeting.

As of the date of this Circular, 160,067,244 Common Shares are issued and outstanding.

Principal Shareholder

To the knowledge of the management of the Company, based on publicly available information, as at the Record Date, the only person or corporation who beneficially owns or controls or directs, directly or indirectly, voting securities carrying ten percent (10%) or more of the voting rights attached to the voting securities of 55 North as at the date hereof is as follows:

Name and Municipality of Residence	Number of 55 North Common Shares	Type of Ownership	Percentage of Outstanding 55 North Common Shares

STATEMENT OF EXECUTIVE COMPENSATION

Interpretation

National Instrument 51-102 – *Continuous Disclosure Obligations* (“NI 51-102”) defines “Executive Officer” to mean, for a reporting issuer, an individual who is,

- (a) the chair, vice-chair, or president;
- (b) a chief executive officer or chief financial officer;
- (c) a vice-president in charge of a principal business unit, division or function including sales, finance, or production, or
- (d) performing a policy-making function in respect of the issuer.

Form 51-102F6 – *Statement of Executive Compensation* (in respect of financial years ending on or after December 31, 2008) (“Form 51-102F6”) further provides the following:

- (a) “CEO” means each individual who acted as chief executive officer of the Company or acted in a similar capacity, for any part of the most recently completed financial year;
- (b) “CFO” means each individual who acted as chief financial officer of the Company or acted in a similar capacity for any part of the most recently completed financial year;
- (c) “Named Executive Officers” or “NEOs” means the following individuals:
 - (i) CEO;
 - (ii) CFO;
 - (iii) each of the Company’s three most highly compensated executive officers, other than the CEO and CFO at the end of the most recently completed financial year whose total compensation, individually, exceeds \$150,000; and
 - (iv) each individual who would be a NEO under (iii) except that the individual was neither an executive officer of the Company nor acting in a similar capacity at the end of that financial year.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis aims to provide information about our executive compensation objectives and processes and discuss compensation decisions relating to 55 North’s NEOs listed in the Summary Compensation Table that follows.

During our fiscal year ended December 31, 2023, the following individuals were 55 North’s NEOs:

- Bruce Reid, Chairman, President and Chief Executive Officer (since January 10, 2017); and
- Julio DiGirolamo, Chief Financial Officer (since January 10, 2017).

55 North is a mineral exploration and development company engaged in acquiring, exploring, and evaluating mineral properties. 55 North has no significant revenues from operations and has, since its incorporation, operated administratively with limited financial resources to ensure that funds are available to complete scheduled exploration and drilling programs. As a result, our Board of Directors has to consider not only the financial situation of 55 North at the time of determination of executive compensation, but also the estimated financial situation of 55 North in the mid- and long-term. An important element of executive compensation is that of incentive stock options, which do not require cash disbursement by 55 North.

Additional information about 55 North and its operations is available in our audited financial statements and Management’s Discussion & Analysis for the year ended December 31, 2023, which have been electronically filed with regulators and are available for viewing under 55 North’s Issuer Profile at the Canadian System for Electronic Document Analysis and Retrieval (SEDAR+) at www.sedarplus.ca.

Compensation Objectives and Principles

The primary goal of our executive compensation process is to attract and retain the key executives necessary for our long-term success, to encourage executives to further the development of 55 North and our operations, and to motivate qualified and experienced executives. The key elements of executive compensation awarded by 55 North are: (i) base salary; (ii) potential annual incentive award; and (iii) incentive stock options. Our directors are of the view that all of these elements should be considered when determining executive compensation rather than any single element.

Compensation Process

55 North's Board of Directors, as a whole, is responsible for determining all forms of compensation, including long-term incentives in the form of stock options or restricted share units to be granted to our Named Executive Officers, as well as to our directors, and for reviewing the recommendations respecting compensation for any other officers of 55 North from time to time, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining compensation, the Board of Directors considers: (i) recruiting and retaining executives critical to 55 North's success and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and our Shareholders; and (iv) rewarding performance, both on an individual basis and with respect to our operations in general.

Base Salary and/or Consulting Fees

55 North is an exploratory stage mining company and does not anticipate generating revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by our Board of Directors to be appropriate in the evaluation of corporate or Named Executive Officer performance. The compensation of our executive officers is based, in substantial part, on industry compensation practices, trends in the mining industry, as well as achievement in raising capital and follow through on 55 North's business plans and objectives.

55 North provides Named Executive Officers with base salaries and/or consulting fees, which represent their minimum compensation for services rendered during the fiscal year. Named Executive Officers' base salaries or consulting fees depend on the scope of their experience, responsibilities, leadership skills and performance. Base salaries and/or consulting fees are reviewed annually by our Board of Directors. In addition to the above factors, decisions regarding salary or consulting fee amounts are impacted by each Named Executive Officers' current salary or fee, general industry trends and practices competitiveness, and 55 North's existing financial resources.

Option Based Awards

Options to purchase common shares of 55 North are intended to align the interests of our directors and executive officers with those of our Shareholders, to provide a long term incentive that rewards these individuals for their contribution to the creation of shareholder value, and to reduce the cash compensation 55 North would otherwise have to pay. 55 North's Stock Option Plan is administered by our Board of Directors. In establishing the number of the incentive stock options to be granted to our Named Executive Officers, our Board of Directors considers the level of effort, time, responsibility, ability, experience and level of commitment of the executive officer in determining the level of incentive stock option compensation. Further, the Board of Directors also takes into account previous grants of options, the overall number of options that are outstanding relative to the number of outstanding common shares and the amount and term of any such grants.

See "Incentive Plan Awards – Outstanding Option-Based and Share-Based Awards" below.

Restricted Share Unit Plan

The Company's RSU Plan is designed to provide certain directors, officers, consultants and other key employees (an "Eligible Person") of the Company and its related entities with the opportunity to acquire restricted share units ("RSUs") of the Company. The acquisition of RSUs allows an Eligible Person to participate in the long-term success of the Company, thus promoting the alignment of an Eligible Person's interests with that of the Shareholders.

The RSU Plan allows the Company to award, in aggregate, up to a rolling 10% maximum of the issued and outstanding Common Shares from time to time, under and subject to the terms and conditions of the RSU Plan. The grant of an RSU Award pursuant to the RSU Plan entitles the Participant thereunder, at the election of the Company, the conditional right to receive for each RSU credited to the Participant's account, at the election of the Board, one Common Share of the Company, subject to the conditions set out in the RSU Grant Letter and in the RSU Plan. Fractional Common Shares will not be issued pursuant to the RSU Plan, and any fractional entitlement arising is to be settled by adjustment such that the Participant will only have the right to receive the next lowest whole number of Common Shares.

Benefits and Perquisites

55 North does not, as of the date of this Circular, offer any benefits or perquisites to its Named Executive Officers other than entitlement to incentive stock options as otherwise disclosed and discussed herein.

Risks Associated with 55 North's Compensation Practises

55 North's Board of Directors has not considered the implications of any risks to 55 North associated with decisions regarding the compensation of 55 North's executive officers.

Hedging by Named Executive Officers or Directors

55 North has not, as yet, adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted or awarded as compensation or held, directly or indirectly, by executive officers or directors.

Notes:

- (1) The Corporation follows the fair value method of accounting for all stock-based compensation arrangements. The values reported represent an estimate of the grant date fair value of the options calculated in accordance with the Black-Scholes option pricing model. Please see the audited annual financial statements of the Corporation for the year ended December 31, 2023 for details regarding the assumptions underlying these Black-Scholes estimates. The Black-Scholes model is a pricing model that may or may not reflect the actual value of the options. The options have not and may never be exercised and the actual gain, if any, on exercise will depend on the value of the Common Shares on the date of exercise. The Black-Scholes methodology was selected in order to maintain consistency with the Corporation's prior practice and because it is widely used by Canadian public companies for estimating option-based compensation.
- (2) Mr. Reid earned a salary of \$72,000 for the year, of which \$54,000 was accrued at year-end, and \$36,000 was settled in a shares-for-debt settlement at a share price of \$0.015 per share for 2,400,000 common shares.

- (4) Grant date fair value of incentive stock options entitling the purchase of 2,000,000 common shares in the capital of the Corporation at a per share price of \$0.02 until July 26, 2027, estimated using the Black-Scholes option pricing model.
- (5) Mr. Reid earned a salary of \$54,000 for the year ended December 2021, of which \$6,000 was accrued at year-end, and \$5,025.88 was settled in a shares-for-debt settlement at share prices of \$0.05 per share for 100,517 common shares.

Notes:

- (1) The Corporation follows the fair value method of accounting for all stock-based compensation arrangements. The values reported represent an estimate of the grant date fair value of the options calculated in accordance with the Black-Scholes option pricing model. Please see the audited annual financial statements of the Corporation for the year ended December 31, 2023 for details regarding the assumptions underlying these Black-Scholes estimates. The Black-Scholes model is a pricing model that may or may not reflect the actual value of the options. The options have not and may never be exercised and the actual gain, if any, on exercise will depend on the value of the Common Shares on the date of exercise. The Black-Scholes methodology was selected in order to maintain consistency with the Corporation's prior practice and because it is widely used by Canadian public companies for estimating option-based compensation.
- (2) Grant date fair value of incentive stock options entitling the purchase of 500,000 stock options in the capital of the Corporation at a per share price of \$0.05 until August 29, 2028, estimated using the Black-Scholes option pricing model.
- (3) Grant date fair value of incentive stock options entitling the purchase of 1,000,000 stock options in the capital of the Corporation at a per share price of \$0.05 until August 29, 2028, estimated using the Black-Scholes option pricing model.

Incentive Plan Awards – Value Vested or Earned During the Year

The value of options exercised is the difference between the option exercise price and the market price of the underlying security on the date of exercise. No value vested or was earned by 55 North's executive officers or directors during 55 North's year ended December 31, 2023, as a result of stock options vesting or being exercised.

If no nominations are received by the Company in compliance with these provisions prior to the Meeting, any nominations which are not nominations by or at the direction of the Board, or an authorized officer of the Company, will be disregarded at the Meeting.

SPECIAL BUSINESS

IV. Re-approval of Stock Option Plan

At the Meeting, the Shareholders will be asked to re-approve the Stock Option Plan. The following is a summary of the material terms of the Stock Option Plan. A copy of the Stock Option Plan is attached hereto as Schedule "B".

The Stock Option Plan is administered by the Board and all option issuances are approved by the Board. The purpose of the Stock Option Plan is to advance the interests of the Company by encouraging participants in the Stock Option Plan ("Participants") to acquire Common Shares thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and providing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

Pursuant to the Stock Option Plan, the Company may grant options to purchase Common Shares to a Director or a director of a subsidiary of the Company, a senior officer of the Company or a subsidiary of the Company, an employee of the Company or a subsidiary of the Company, management company employees of the Company or a subsidiary of the Company and consultants retained by the Company, including investor relations consultants. The Directors will set the exercise price at the time that an option is granted under the Stock Option Plan. The options will have a maximum term of five years from the date of grant. 10% of the issued and outstanding Common Shares may be reserved for issuance pursuant to the Stock Option Plan.

The Stock Option Plan provides that the number of Common Shares reserved for issuance pursuant to the Stock Option Plan in respect of all options granted to any one Participant, other than a consultant or a person employed in investor relations, together with any other previously established or proposed security compensation arrangement of the Company, at any one time shall not exceed 5% of the issued and outstanding Common Shares in the capital of the Company from time to time. The number of Common Shares reserved for issuance pursuant to the Stock Option Plan in respect of all options granted to any one Participant that is a consultant or a person involved in investor relations at any one time shall not exceed 2% of the issued and outstanding Common Shares in the capital of the Company from time to time. The Stock Option Plan also provides that the number of Common Shares reserved for issuance pursuant to the Stock Option Plan together with any other previously established or proposed security compensation arrangement of the Company, at any one time shall not exceed 10% of the issued and outstanding Common Shares in the capital of the Company from time to time.

The exercise price of the Common Shares subject to each option shall be determined by the Board at the time that the option is granted. In no event shall such exercise price be lower than the last daily closing price of the Common Shares on the day before the grant of the options. Once the exercise price has been determined by the Board, the exercise price of an option may be reduced upon receipt of the approval of the Board, provided that in the case of options held by insiders of the Company, the exercise price of an option may be reduced only if disinterested Shareholder approval is obtained.

The number of Common Shares issuable to insiders of the Company, at any time, under the Stock Option Plan and all other security-based compensation arrangements of the Company, cannot exceed 10% of the issued and outstanding Common Shares (calculated on a non-diluted basis). The number of Common Shares issued to insiders of the Company within any one year period, under the Stock Option Plan and all other security-based compensation arrangements of the Company, cannot exceed 10% of the issued and outstanding Common Shares (calculated on a non-diluted basis).

If a Participant shall cease to be a Director, a director of a subsidiary of the Company, a senior officer of the Company or a subsidiary of the Company, an employee of the Company or a subsidiary of the Company, a management company employee of the Company or a subsidiary of the Company or a consultant for any reason (other than death), such

Participant may then only exercise his or her option to the extent that the Participant was entitled to exercise it at the date of such cessation, provided that such exercise must occur within 90 days after the Participant ceases to hold such office.

In the event of the death of a Participant, the options previously granted to him or her shall be exercisable only within the first year after such death and then only: (a) by the person or persons to whom the Participant's rights under the options shall pass by the Participant's will or the laws of descent and distribution; and (b) if and to the extent that such Participant was entitled to exercise the option at the date of his or her death.

Subject to any vesting restrictions imposed by the relevant exchange upon which the Common Shares are listed or applicable securities laws, the Board may, in its sole discretion, determine the time period(s) during which options shall vest and the method of vesting, or that no vesting restriction shall exist.

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Stock Option Plan shall not be transferable or assignable. During the lifetime of a Participant any benefits, rights and options may only be exercised by the Participant.

The Board has the power to amend, modify, suspend or terminate the Stock Option Plan, subject to any necessary regulatory and Shareholder approvals. Subject to the receipt of any necessary regulatory or Shareholder approvals, the Board may also at any time amend or revise the terms of any options granted under the Stock Option Plan from time to time. The Board has the authority to make amendments to the Stock Option Plan without requiring Shareholder approval that: (i) are regarded as "housekeeping" in nature; (ii) change the vesting provisions of an option or the Plan; or (iii) change the termination provisions of an option or the Stock Option Plan so long as such change does not extend the expiry date of any option.

Notwithstanding the foregoing, the following amendments to the Stock Option Plan may not be made without the approval of the Shareholders: (i) an increase to the maximum number of options that may be granted or reserved for granting pursuant to the Stock Option Plan; (ii) a change to the amendment provisions of the Stock Option Plan; (iii) a reduction of the exercise price of options held by insiders of the Company; (iv) an extension to the term of options held by insiders of the Company; and (v) a change to the insider participation limits of the Stock Option Plan.

If approval of the Stock Option Plan or a modified version thereof is not obtained, the Company will not proceed to grant options under the Stock Option Plan. The Stock Option Plan will be available for inspection at the Meeting. As the Stock Option Plan is intended to align the interests of management, employees and the Directors with the interests of the Shareholders and to provide added incentive to the optionees, the Directors recommend that the Shareholders re-approve the Stock Option Plan.

Shareholder Approval of the Stock Option Plan

BE IT RESOLVED THAT:

1. The Stock Option Plan of the Company as more particularly described in the Company's Information Circular dated May 6, 2024, be and the same is hereby approved; and
2. Any one director or officer of the Company be and is hereby authorized for and on behalf of the Company (whether under corporate seal or otherwise) to execute and deliver such document as may be necessary or useful to effect the foregoing resolution and all other documents and instruments and to take all such other actions as such officer or director may deem necessary or desirable to implement the foregoing resolutions and the matter authorized hereby, such determinations to be conclusively evidenced by the execution and delivery of such documents or other instruments or the taking of any such action.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE STOCK OPTION PLAN UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION. In the event shareholder approval is not given, the stock option plan will be terminated. In order to approve the stock option plan, at least a majority of the votes cast at the meeting by holders of Common Shares must be voted in favour of the resolution.

AUDIT COMMITTEE

NI 52-110 requires that certain information regarding the audit committee of a “venture issuer” (as that term is defined in NI 52-110) be included in this Circular sent to shareholders in connection with this annual Meeting.

Audit Committee Charter

The full text of the Company’s Audit Committee charter is attached hereto as Schedule “A” to this Circular.

Composition of the Audit Committee

The members of the Audit Committee are Bruce Reid, Herbert Urton and Alka Singh, all of whom are considered financially literate pursuant to NI 52-110 – *Audit Committees* (“NI 52-110”). Mr. Reid has not been determined by the Board of Directors to be “independent” as such term is defined by NI 52-110. See Business of the Meeting-Election of Directors for a summary biography of each member of the Audit Committee.

Audit Committee Oversight

At no time since the commencement of the Company’s most recently completed financial year was a recommendation by the Audit Committee to nominate or compensate an external auditor not adopted by the Board.

Pre-Approval Policies and Procedures

Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Audit Committee and, where applicable, the Company’s Board, on a case-by-case basis.

Auditor Service Fees

The following table provides detail in respect of audit, audit related, tax and other fees billed to the Company by the external auditors for professional services provided to the Company and its subsidiaries:

	2023	2022
<u>Audit fees</u>	23,625	26,500
<u>Audit-related fees</u>	Nil	Nil
<u>Tax fees</u>	2,875	2,500
<u>Other fees</u>	823	Nil
<u>Total</u>	27,323	29,000

Audit Fees: Audit fees were paid for professional services rendered by the auditors for the audit of the Company’s annual financial statements as well as services provided in connection with statutory and regulatory filings.

Audit-Related Fees: Audit-related fees were paid for professional services rendered by the auditors and were comprised primarily of the reading of quarterly financial statements.

Tax Fees: Tax fees were paid for tax compliance, tax advice and tax planning professional services. These services included preparing and/or reviewing tax returns.

All Other Fees: Fees such as those payable for professional services which include bookkeeping, accounting advice, primarily relating to preparation of IFRS compliant financial statements, and preparation of management’s discussion and analysis, and due diligence.

Exemption

The Company is relying on the exemption from the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) as set out in section 6.1 of NI 52-110.

CORPORATE GOVERNANCE

The Company’s disclosure of corporate governance practices pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“NI 58-101”) is set out below in the form required by Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

Board of Directors

The Board of Directors is responsible for the stewardship of the Company and for the supervision of management to protect shareholder interests. The Board oversees the development of the Company’s strategic plan and the ability of management to continue to deliver on the corporate objectives.

The board of directors is presently comprised of four (4) members: Sandra Jackson, Alka Singh, Bruce Reid and Herbert Urton. All of the directors of the Company except Bruce Reid are considered to be independent directors of the Company. Bruce Reid is the Chief Executive Officer of the Company. Therefore, Mr. Reid is not considered to be independent. NI 58-101 suggests that the board of directors of a public company should be constituted with a

majority of individuals who qualify as “independent” directors. An “independent” director is a director who has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the board of directors, reasonably interfere with the exercise of a director’s independent judgment. As disclosed above, the Board is comprised of a majority of independent directors. The independent judgment of the Board in carrying out its responsibilities is the responsibility of all directors. The Board facilitates independent supervision of management through meetings of the Board and through frequent informal discussions among independent members of the Board and management. In addition, the Board has free access to the Company’s external auditors, external legal counsel and to any of the Company’s officers.

Directorships

The directors of the Company are also directors of other reporting issuers, see Business of Meeting- Election of Directors-Other Boards of Reporting Issuers above.

Orientation and Continuing Education

At present, each new director is given an outline of the nature of the Company’s business, its strategy, and present issues with the Company. New directors would also be expected to meet with management of the Company to discuss and better understand the Company’s business and would be advised by the Company’s legal counsel of their legal obligations as directors of the Company.

Ethical Business Conduct

The entire Board is responsible for developing the Company’s approach to governance issues. The Board has reviewed this Corporate Governance disclosure and concurs that it accurately reflects the Company’s activities.

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

In addition, each nominee for director of the Company must disclose to the Company all interests and relationships of which the director is aware of at the time of consideration which will or may give rise to a conflict of interest. If such an interest or relationship should arise while the individual is a director, the individual shall make immediate disclosure of all relevant facts to the Company.

The Board is in the process of developing a written Code of Business Conduct and Ethics (the “Code”) that applies to all directors, officers, employees, and consultants of the Company.

Board of Directors Tenure

The Board has not adopted policies imposing an arbitrary term or retirement age limit in connection with individuals nominated for election as directors as it does not believe that such a limit is in the best interests of the Company at this time. Directors are elected for a period of one year and remain in place until the next annual general meeting of Shareholders at which time their mandates terminate. The Board strives to achieve a balance between the desirability to have a depth of experience from its members and the need for renewal and new perspectives. The Board has determined that the Board is highly effective and well composed and that no appreciable benefit would be derived from the introduction of term or retirement age limits at this time.

Board and Senior Management Diversity

The *Canadian Business Corporations Act* (the “CBCA”) defines members of designated groups (“**Designated Group Members**”) to mean women, Aboriginal peoples, persons with disabilities and members of visible minorities. The Board has not adopted a written policy or targets relating to the identification and nomination of Designated Group Members as directors or members of senior management, as it does not believe that it is necessary in the case of the Company to have such measures giving the Corporation is a junior exploration company involved in the exploration of mining projects which are early stage and do not generate revenues. The Corporation has a limited number of employees, choosing to use the services of consultants almost exclusively. Whenever possible, the Corporation chooses to use the services of local persons or locally owned businesses, especially those of First Nations when available. The Board is committed to nominating the best individuals to fulfill director roles and senior management positions. The Board recognizes that Designated Group Members contribute significantly to diversity and acknowledges the important role that Designated Group Members with appropriate and relevant skills and experience can play in contributing to diversity of perspective in the boardroom and in senior management roles.

The Board reviews the general and specific criteria applicable to candidates to be considered for nomination to the Board. The Board aims to maintain the composition of the Board in a way that provides the best mix of skill and experience to guide the Company's long-term strategy and ongoing business operations. Accordingly, in searches for new directors or members of senior management, the Board considers the level of Designated Group Member representation and diversity within its leadership ranks when considering making director or officer appointments and this is just one of several factors used in such search process. The Corporation currently has no targets for the level of representation of members of the Designated Groups on the board and senior management. The table below show the current number and proportion (expressed as a percentage) of Designated Group Members who hold positions on the board of directors and who are members of senior management:

	Directors		Senior Management	
	#	%	#	%
Women	2 of 4	50	0 of 2	0
Aboriginal Peoples	1 of 4	25	0 of 2	0
Persons with Disabilities	1 of 4	25	2 of 2	100
Members of Visible Minorities	1 of 4	25	0 of 2	0

The board of directors of the Corporation considers diversity in identifying and nominating candidates for election or re-election to the Board as well as for making senior management appointments, by carefully evaluating necessary competencies, skills and other qualifications of each candidate as a whole and taking into account the track record in general business management and the ability to devote the time required.

The diversity information disclosed reflects the Corporation's situation as of the date of this Circular.

If, however, any amendments, variations or other matters properly come before the Meeting or any postponement(s) or adjournment(s) thereof, or if any other matters, which are not now known to management of the Company should properly come before the Meeting or any postponement(s) or adjournment(s) thereof, the form of proxy or VIF confers discretionary authority on the person voting the proxy to vote on such amendments or variations or such other matters in the discretion of such person, whether or not the amendments, variations or other matters that come before the Meeting are or are not routine, and whether or not the amendments, variations or other matters that come before the Meeting are contested, the Company reserves the right to amend or supplement this Proxy Circular, form of proxy and VIF, as the case may be, as it sees fit in order to solicit proxies for any business to be transacted at the Meeting which is in addition to or a variation of the resolutions set out in the Circular.
